The Brick is a popular East Crossroads bar and grill. I discovered the bar in the 1990s and went back for lunch in early 2000s when friends of mine began working near by. It's located at 1727 McGee, KCMO directly east of the Kansas City Star's main office building & south of their main press. I used to go to trivia night on Fridays with teams of the usual suspects.

I was looking for a healthy late lunch on a chilly Saturday when I stopped into The Brick. The bartender recommended the Meatloaf Sandwich, The Reilly Burger or the Hummus Wrap. I enjoyed the "house favorite"; pepper jack cheese on Meatloaf Sandwich on Wheat Berry bread with Tater tots and spicy Chipotle Ketchup. Great recommendation! (So much for the healthy lunch.) I recently had brunch on a Saturday. Incredibly efficient service from a very attentive server. I even got a drink to go and a "9/8 The Brick & happy face" on my to-go box!...Check it out!

Buy Local! I'm a proponent of patronizing locally owned businesses. Supporting Kansas City owned and operated businesses, is a great way to support our local economy.
