The Westside Local at 1663 Summit, KCMO has panache. The eclectic employees have a flair for style but are also attentive, informative, and nice. The chefs prepare meals that are creative, attractive to the eye, and super tasty. My first visit to Westside Local was on a spring evening. A friend and I sat at the harvest tables on the patio. The large tables set end-to-end create a communal atmosphere.

We were soon absorbed into the group that gathered at the other end of the table. Great conversation with new friends...Fun!

This place serves the absolute best grilled cheese sandwich. Ever! It's prepared with Brie, Emmentaler, and local white cheddar on the Farm-to-Market sourdough bread. I recently enjoyed a burger special. It had a lot going on: tomato jam and bacon on the bottom; jalapeño, lettuce and cheese on top of a grass-fed beef burger on an Asiago bun. Alex had an Arugula salad served with walnuts, summer squash, shaved gruyere, and walnut vinaigrette which he described as both intriguingly bitter and delightfully sweet. Holly had a dish of very soupy, cheesy Mac & Cheese. We all enjoyed parmesan & parsley fries served with homemade ketchup and roasted garlic aioli..."Best fries ever!" says Holly...Check it out!

Buy Local! I'm a proponent of **patronizing locally owned businesses**. Supporting Kansas City owned and operated businesses is a great way to improve our local economy.
