**Pierpont's** has been a family preference since it opened in the 1999-completed renovation of Union Station at 30 Pershing Road. The main dining room and bar area are absolutely beautiful....elegant!

The restored space appears to be much like it was when originally built in 1914. Wine rooms on the lower level offer great spaces for private dining. I believe we originally came here for Father's Day,

then my birthday, then my dad's, then you name it. Great venue, service, and food for a special (or any) occasion.

Most recently my immediate and extended family gobbled up two tables in the main dining room. We arrived just as the sun was setting and washing the room in a brilliant light. We began with "the best calamari ever!" according to Holly. At 13, she is a calamari aficionado. As Alyssa enjoyed her Butter Lentil Salad, I heard a "Great almonds - Oh My God." The Mac N' Cheese is a continuous hit with the kids. I enjoyed a favorite; the 6-oz Filet Mignon Lili (you hardly need a knife for this steak) served with foie gras & black truffle butter, cognac glace, artichoke hearts, asparagus, and roasted garlic whipped potatoes.

For a decadent desert, the entire group shared three chocolate mousse tortes with brazed raspberries...Wow! Attentive service and great food in spectacular surroundings...Check it out!

**Buy Local!** I'm a proponent of patronizing locally owned businesses. Supporting Kansas City owned and operated businesses is a great way to support our local economy. I sell and lease industrial buildings. Call me at 913-951-8402 to let me know how I can help you. Call or e-mail for more information about the industrial real estate market and other great restaurants.
