Kitty's Cafe has been serving breakfast and lunch at 810 E. 31st St. since 1951. A well known Kansas City restaurateur introduced me to their Pork Tenderloin back in 2001, and as claimed, it really is the best. Since then I've snuck away to this hidden treasure many times to enjoy their burgers and other diner food staples. You can enjoy the diner atmosphere at

one of six bar stools in the corner but most folks grab their meals to go. It can get a little crowded over lunch.

Recently my dining companion and I split what she described as "the best catfish sandwich ever". The fish is breaded and fried in their secret recipe batter (same as the tenderloin and chicken), and topped with tarter sauce, pickles, lettuce, tomato and diced onion. If you are craving diner burgers or sandwiches, or deep-fried comfort food on the go, **Kitty's Cafe** is for you. They welcome call in orders...check it out!

Buy Local! I'm a proponent of **patronizing locally owned businesses**. Supporting Kansas City owned and operated businesses, is a great way to support our local economy.
