Located at 538 Campbell, **Pandolfi's Deli** is the perfect re-purposing of a 118 year old historic Columbus Park space. This building has served as, among other things, a flower shop and a funeral home. The interior is comprised of 10 four top tables on the original tile floor illuminated by cool modern mercury glass light fixtures. Order at the rear

counter and grab a seat inside or on the patio out front. Very courteous and responsive chefs who double as servers will bring your meals to your table.

A friend and I visited on a recent spring day. Kim had Spaghetti and Meatballs that she described as "Fantastic...really good; I don't know what it is. Definitely not Prego". I had the soup of the day of Cannellini Bean and a half Muffaletta sandwich. The soup was very tasty. The Muffaletta was brilliant. The olive mix is the key to this sandwich. It's comprised of chopped: pimento-stuffed olives, Kalamata olives, giardiniera (Italian pickled vegetables), pepperoncini (sweet Italian peppers), pickled onions, capers and garlic seasoned with dried oregano, black pepper, fresh lemon juice and olive oil. This vegetable cornucopia is served on sliced ham, mortadella Genoa salami, provolone and mozzarella between a couple slices of Italian bread. "I've got a new fave," says Kim as we leave.

Buy Local! I'm a proponent of **patronizing locally owned businesses**. Supporting Kansas City owned and operated businesses is a great way to support our local economy.
