A local Argentine Industrial District client turned me on to **San Antonio Carnercia y Tortilleria** attempting to “one up me” on authentic Mexican food. He did a good job. **Tortilleria San Antonio** is located at 830 Kansas Ave., KCKS, in the midst of the Carnercia (meat shop). I had a great meal there on a recent Saturday. I was the only non-Hispanic person in the place for a half hour. A good sign!

Order, pay the cashier, and stand in line with everyone else. Lots of to-go orders. The line moves along efficiently. Tables in the store turn quickly. A new crowd arrives and a new line forms in thirty minutes to replace the last. It’s a bit of a circus with folks jockeying for sauce and toppings.

There are four sauces ranging from hottest (near to the cashier) to mild (next to the cilantro, onions and limes). Mild Green is made from Jalapenos. Red (rust red) Hot is next. The creamy lime-green sauce is “brighten my already red face and water my eyes” hot. The “cheese orange” colored sauce is made from Habanero peppers and is Calde! It gets a “head glows red and scalp waters” rating. Fire in the hole!...Check it out!

**Buy Local!** I’m a proponent of **patronizing locally owned businesses**. Supporting Kansas City owned and operated businesses, is a great way to support our local economy.
