The Bite is a sandwich and tamale shop tucked into the northeast corner of Kansas City's River Market at 23 E. 3rd Street. Friends who raved about the perfect "medley of flavors" in their sandwiches turned me on to this joint. I concur with their assessment. The interior space is small yet there's plenty of overflow seating right outside the door and throughout the River Market.

We recently beat the lunch rush on a weekday. Good thing we arrived early because the line for dine-in and to-go orders soon extended from the register to the door.

Huge sandwiches were swiftly delivered to our table within minutes of sitting down. I chose from one of three pulled pork sandwiches available. The Bay of Pigs is prepared with Prosciutto, Smoked Gouda, tasty Habanero pickles and mustard mayo. My companion savored every bite of the Deadliest Catch Cake. It's prepared with Blue Crab, cucumber, spinach, radish, carrot, pickled onions and lemon caper aioli providing just the right amount of spice. "WOW!" was all I could get out of her...Check it out!

Buy Local! I'm a proponent of **patronizing locally owned businesses**. Supporting Kansas City owned and operated businesses, is a great way to support our local economy.
