**Genessee Royale Bistro** is housed in a nicely converted garage/filling station at 1531 Genessee, KCMO. (Thanks Bill!)

A friend and I recently enjoyed a Saturday lunch after a short wait in the bustling restaurant. The patio, as well as the interior, was packed. Neighboring diners were enjoying Saturday's lunch special of Bloody's paired with a

substantial Butcher's Ground Beef sandwich. The West Bottom's First Fridays Weekends antique furniture craze had the child to adult ratio exponentially larger than on weekdays.

As an appetizer we had Farmer's Toast. It's a daily special featuring a table-ready selection of fresh local seasonal vegetables. The bright veggies lay in a splash of really great, obviously high-shelf olive oil...Nice. We split a hard cooked egg & asparagus sandwich with pickled onion and soft butter. The "rolling-log" effect of the asparagus provides an entertaining eating challenge in keeping the top plane of the sandwich bread parallel to the bottom bread plane. It was delicious nonetheless!

Our waitress was polite, funny, and very cordial. The receipt came on a postcard; Clever! It's good marketing for the postage inclined...Check it out!

**Buy Local!** I'm a proponent of **patronizing locally owned businesses**. Supporting Kansas City owned and operated businesses, is a great way to support our local economy.
