Located at 7926 Floyd, **Torreador Mexican Restaurant** is a Downtown Overland Park institution. A group of friends of mine and I were regulars in high school...South boys hoping to run into Shawnee Mission West girls. My kids and I visited this cozy little hole in the wall recently. It seemed frozen in time. Pink Floyd's Dark Side of the Moon & David Bowie's Young Ameri-

cans played on the classic rock station just as they would have on the Top 40 AM dial in the 70s.

We devoured several bowls of chips & really tasty salsa while considering our orders. The menu is typical Tex-Mex KC flair. That's okay with me. "How about you Hun?"...That's the way I want to be greeted to take my order! The server was very efficient and easy to like. Our food came quickly. We enjoyed our modest meals of enchiladas, tostadas and more chips & salsa...Yum!

Buy Local! I'm a proponent of **patronizing locally owned businesses.**

Supporting Kansas City owned and operated businesses is a great way to support our local economy.
