A Friend recommended **Swagger** when it opened in the former Village Lounge storefront at 8341 Wornall Road in 2008. Buddy Lush Phenomena plays on Wednesday evenings. Great Music! Very entertaining! On a late winter Saturday my fellow patrons at this neighborhood gourmet beer bar included a smorgasbord of Kansas City; five

young men and women, pairs of spouses with kids, basketball watching young men, older former Village Lounge early beer drinkers, etc. My very attentive and delightful servers, Susan and Amanda, double-teamed the whole joint and me. I love being called "dear"!

Susan tempted me with the **Suriachi Burger**, "Named after Mount Iwo Jima, it was named the number one fired burger" by someone. Suggested beers to complement this creation are Boulevard IPA or Widmer Drifter Pale Ale. A cut-above culinary establishment when beers are referenced to complement your meal. Other recommendations from Susan included **The Dead Texan**, described as "breakfast, lunch and dinner"; the Pulled Pork Sandwich; and **The Steve Martin**, a spicy Grilled Jerk Chicken...Ha! Indecisive, I was suprised with samples of Flying Monkey Chili and really great Wasabi Coleslaw. I made a bowl of the Chili, prepared with Flying Monkey Amber my meal...Tasty!

Buy Local! I'm a proponent of **patronizing locally owned businesses**. Supporting Kansas City owned and operated businesses is a great way to support our local economy.
