Located partially under the Heart of America Bridge at 501 Berkley Parkway in Berkley Riverfront Park, **Bar K Dog Bar** is a phenomenon. The setting is cool with a view of the Bond Bridge to the east and the hulking, century old, iron framed ASB Bridge to the west. Bar K is creatively constructed out of shipping containers which

give it a lot of character. Watching the dogs run and play under watchful eyes of **Bar K** "dogtenders" is very entertaining. There are two bars that you access while you hang out with the off-leashed pups.

But you don't have to have a dog to go to **Bar K**. The restaurant itself is human only. There are a couple of areas outside where you can eat with your dog leashed. The "healthy casual" menu is full of tasty, reasonably priced food. The **Bar K** Burger and house fries with spicy mayo are killer...Check them out! You can find their menu and read more about them at [www.barkdogbar.com](http://www.barkdogbar.com).

**Buy Local!** I'm a proponent of **patronizing locally owned businesses**.

Supporting Kansas City owned and operated businesses is a great way to support our local economy.
