Bonito Michoacán Market has been serving Downtown Kansas City, KS, at 1150 Minnesota Ave. since 2007. They are a carniceria, grocery store and taqueria offering authentic Mexican flavor in their products and services. It used to seem like the tables and chairs at the taqueria competed with the grocery products. The seat-

ing area is well defined now. There is usually a line starting back at the coolers of the grocery store. The wait gives you time to choose your drink from the cooler.

The menu board features an extensive selection with photos to help you know what you're about ready to enjoy. Order at the end of the line, find a table and your meal will be ready shortly. My go to recently has been Plato de gorditas with shredded pork. I also like the Tres amigos. Nicole leans toward Plato Desayuno y Chilaqui. Their street tacos are always great...Check them out!

Buy Local! I'm a proponent of frequenting locally owned businesses, especially ones that provide online or phone orders and pick up. Supporting locally owned and operated businesses is a great way to support our local economy.
