There aren't many "Burger Stands" around any more. Grandstand Burgers at 4942 Merriam, Overland Park, KS defies time. The line starts outside the door. Lisa at the register takes call-in orders between counter orders and handles it all with ease. It's a hectic pace through an extended lunch hour both at the counter and behind in the

tiny kitchen. This space is not for the claustrophobic with four seats at the counter and maximum capacity inside the door of around ten. There's a consistent flow of patrons who squeeze inside, order, and trade places away from the register to fill their drinks and sink into a spot to wait for their order.

The menu offers more than burgers, yet that's about all I've seen ordered. There's an assortment of sides available but most folks opt for onion rings or tots because they're great! When the weather permits, diners sit at a handful of picnic tables outside. The food is made to order so expect about a ten minute wait. Listen for your order number to be called over the intercom and enjoy!...Check it out!

Buy Local! I'm a proponent of **patronizing locally owned businesses.**

Supporting Kansas City owned and operated businesses is a great way to support our local economy.
