We go trail riding in the Flint Hills several times a year. **Guy & Mae's Tavern** at 119 W William St. in Williamsburg, KS is on our way. We visit every time we can (when they are open). The place is always packed midday with locals and tourists making it a destination lunch from KC or Lawrence. The interior is illuminated by

neon signs, a light over each table and back bar lights. It's unique due to the autographed dollar bills that are taped to the walls, doors, tucked in the ceiling tile grid and pinned to the ceiling tile.

We always split a half slab of fall off the bone tender and yummy pork spare ribs. Sides include potato salad, coleslaw, BBQ beans with the perfect amount of brown sugar and a regular whole or hot dill pickle spear. Also offered are your choice of ham, beef, turkey, or Polish sausage sandwiches. They take off midsummer and over the holidays so you may want to call ahead...Check them out.

**Buy Local!** I'm a proponent of **patronizing locally owned businesses.**

Supporting Kansas City owned and operated businesses is a great way to support our local economy.
