**Howard's Grocery & Café** is located in Kansas City's East Crossroads at 1708 Oak. It's a hip little hangout with a small patio to the south. The menu is on the chalkboard to the left of the counter. Order, take a number, and find a seat at one of the harvest tables or the window bar. Prior to lunch I peruse the sustain-

ably sourced grocery of local items, dry goods and seasonal veggies. Think farmer's market type of inventory and kitchen staples.

On our first visit we shared lentil soup with a house salad along with their griddled burger comprised of house made American cheese, pea shoots, pickled veggies and their burger sauce on a potato bun with excellent fries. We most recently enjoyed Howard's amazing fried chicken sandwich made with BBQ mayo, balsamic marinated sweet onions, pea shoots on Farm to Market Ciabatta bread. We also enjoyed a cup of tasty pork and red bean soup. They split both for us and plated very nicely. Howard's is currently open Tuesday thru Friday 11:00am to 7:00pm...Check it out!

**Buy Local!** I'm a proponent of **patronizing locally owned businesses.**

Supporting Kansas City owned and operated businesses is a great way to support our local economy.
