Located in Cottonwood Falls, KS, Keller Feed & Wine Co. is definitely off the beaten path. The single room family run restaurant is adorned with rustic utensils, farm tools and old signs. Down the corridor to the rest-rooms is a gallery of the Royals, Athletics and Monarchs photos along with memorial pictures of Cotton-

wood Falls. Order from the chalkboard at the counter, get your number and find a seat. The super nice employees know regular locals by name and welcome others coming for the first time. The food is the main attraction here.

Everything we've tried tastes great. Our first visit we shared a huge plate of ham, bacon, sausage and eggs with sausage gravy. For a recent dinner we enjoyed a perfectly prepared shrimp boil with corn, potatoes, hints of onion and garlic accompanied by drawn butter (and a side of fried okra). The next morning we delighted with the best shrimp & grits ever made: shrimp & cheddar grits perked up with ham, peppers, spicy collard greens and topped with a perfectly cooked sunny side-up-egg - Yum!...Check it out!

Buy Local! I'm a proponent of **patronizing locally owned businesses.**

Supporting Kansas City owned and operated businesses is a great way to support our local economy.
