King's Table Soul Food, home to hot water cornbread and fried ribs, is located at the former home of Moe's Italian Restaurant at 5932 Prospect Avenue, KCMO. The interior has been remodeled since Moe's. It's a one-room restaurant with booths along the north wall, several tables down the middle, and stools at the south bar counter.

The interior is simple and clean and the service is outstanding. I've been here several times for breakfast and lunch. Lunch and dinner are served all day so you can get coleslaw with your hash browns at breakfast.

The menu is extensive including Catfish, Shrimp and Grits, Ox Tails and Chitterlings. The gravy covered, lightly battered Country Fried Steak is amazing - the best I've ever had! I usually eat half of what's served to me in restaurants but I make an exception for this meal. Yum!...Check it out!

Buy Local! I'm a proponent of **patronizing locally owned businesses**.

Supporting Kansas City owned and operated businesses is a great way to support our local economy.
