Prime Sushi Bar is a new locally owned Japanese style restaurant opened by Steve and Jasmine Young. Located in the former Accurso's space at 4980 Main Street (just south of the Country Club Plaza) much of the sleek decor of Accurso's (alabaster back-lit bar, trendy light fixtures, etc.) remain in place. In the trans-

formation they have added a Japanese inspired cherry tree mural at the north dining room and Asian inspired overlays on the east facade windows. Also new to the space is a Sushi Bar stretched out across the back dining room.

At a recent family celebration we ordered various items to share. Our server was very friendly to everyone whether familiar or unfamiliar with Japanese cuisine. Highlights of our dinner included the yellow tail capriccio, miso soup, Bento Box of grilled beef, and a selection of specialty crab, shrimp and tuna rolls. All were beautifully presented with a perfect balance of flavor and texture. My daughter was delighted with a special treat from each Sushi chef for her birthday...Check it out!

Buy Local! I'm a proponent of **patronizing locally owned businesses.**

Supporting Kansas City owned and operated businesses is a great way to support our local economy.
