Our friend Laura Norris's **Cucina Della Ragazza Food & Wine** at 301 Westport Road is a cozy, intimate space with a homey atmosphere. The north wall is exposed brick with a stone fireplace in the middle of the room. The four top tables are really attractive tri-colored woods that complement the space.

**Ragazza** is hard to get into without a reservation. If you do get in without a reservation, it may be by the front door...closer to the elements. The bar seems to be full from happy hour through the evening with folks quickly rotating into any vacant stools.

We lucked out snagging a last minute cancellation to enjoy an excellent meal over the recent holidays. Our experience was so good that we got a reservation for the next weekend for possibly the most "friend & family" fresh, homemade, Southern Italian food in the City. Excellent and reasonably priced wine list, Meatballs Grande as an appetizer, Italian salad, Clam linguini and many say the best Lasagna in town. On weekends they have brunch too...Check it out!

**Buy Local!** I'm a proponent of **patronizing locally owned businesses.**

Supporting Kansas City owned and operated businesses is a great way to support our local economy.
