I used to take my kids to The Snack Shack on Santa Fe at 8039 Santa Fe Drive in Downtown Overland Park. They always loved it. Nicole and I recently "rediscovered" it this past Spring. Order at the counter and pick up at the exterior window if you're eating outside or getting your meal to go. Lots of folks call in to go orders. You can dine

inside at the counter or enjoy one of the handful of outdoor tables. We recently enjoyed a meal under the front awning in the rain.

The single burger with cheese loaded with tomato, lettuce, pickle and onion is hard to beat. Oh wait, there's the tenderloin with horse raddish...yum! Crispy sides include chips, fries, and onion rings or you can get the 50/50 of half onion rings and half fries. We'll be back. Nicole wants to check out the chicken sandwich with their special "shack sauce"...Check it out.

Buy Local! I'm a proponent of frequenting locally owned businesses, especially ones that provide online or phone orders and pick up. Supporting locally owned and operated businesses is a great way to support our local economy.
