The wild dog graffiti on the nearby train trestle foundation must be the namesake for **Speak Sandwiches** located at 1000 W. 25th Street, KCMO. Think of the SW Boulevard train bridge as your landmark. **Speak** is just across the street to the northwest in the Westside neighborhood. This little store is truly off the beaten

path, yet worth finding. Order at the counter and find a shared table nestled in the kitchen of Uncommon Stock or one of the tables outside on the dock. Your meal will arrive momentarily.

My dining companion and I recently shared **Speak's** Autostrada. It's a really meaty Italian sandwich of Mortadella, Cappelletti and Sopressata cold cuts with sharp Provolone and spicy Giardiniera on thin crust Ciabatta bread. We enjoyed it with a healthy portion of potato salad accented with dill and mustard seed. Yum!...Check it out!

Buy Local! I'm a proponent of **patronizing locally owned businesses.**

Supporting Kansas City owned and operated businesses is a great way to support our local economy.
