There are some places you drive by all the time and never step in. Tarahumaras Mexican Restaurant located at 3212 Merriam Lane in KCKS should not be one of them. The building and restaurant are small. The kitchen appears to be bigger than the dining area. There are just four tables and two counters with eight stools to

seat 22 patrons at once in the tiny space. Daily specials are posted on the outside wall and above the east counter. Call in or order at the front counter from their extensive menu and they'll call your order shortly.

We've tried a little bit of everything. The Chipotle chicken enchiladas topped with tomatillo sauce are really tasty as is the chicken roll-up. You can't go wrong with their hard shell tacos or their soft street tacos. The Tamales are damn good. They claim the best in town...could be. Check them out!

Buy Local! I'm a proponent of **patronizing locally owned businesses.**

Supporting Kansas City owned and operated businesses is a great way to support our local economy.
