The Fish Market at 1120 East Old State Route 210 in Liberty, MO is a little road-house restaurant with a beach bar vibe accentuated by the shark out front. The interior is pleasant and clean with two distinctive dining spaces. One is retro diner and the other is more beach bar. Yet, they're pulled together with the same furni-

ture. The employees are super nice and create an affable atmosphere. On a recent chilly day we began our meal with a basket of tasty alligator with spicy cocktail sauce.

Jambalaya, Gumbo or Red Beans and Rice? Tough question. Our pleasant and efficient server recommended the Red Beans and Rice. It's a flavorful, super meaty, soupy delight and comes with cheesy Jalapeno cornbread. We split the fresh hand breaded catfish and shrimp combo with the best Hush Puppies since grandmas!...Check it out!

Buy Local! I'm a proponent of **patronizing locally owned businesses.**

Supporting Kansas City owned and operated businesses is a great way to support our local economy.
